## CALL FOR CONFERENCE SESSIONS

DUE 31 May 2018

In keeping with the theme *Agri-food XXV: Past, present & future*, we invite proposals for paper sessions that fit within the following broad framework:

1. Sessions that return to popular themes from conferences past, to consider recent insights and/or new applications.
2. Sessions that address ongoing challenges for the future of food and agriculture, which might also include gaps in agri-food scholarship to date.
3. Sessions that engage with multidisciplinary agri-food research, show synergies between traditional and emerging agri-food disciplines, and build new approaches.

Sessions may take the form of paper presentations (15mins), interactive roundtables, or any other format not exceeding 1.5 hours duration. Please submit your session proposal of up to 300 words including title, session organisers and contact details, outline of theme and proposed format to [k.smith2@uq.edu.au](mailto:k.smith2@uq.edu.au).
