

AGRI-FOOD XXV CELEBRATING 25 YEARS OF THE AFRN

Exploring past, present & future contributions to agri-food studies

PRELIMINARY SCHEDULE (DRAFT) – SUBJECT TO CHANGE [all presentations should be 10 mins]

Day	Time	Activity		
Mon 3 rd Dec	8-8.45	Registration + coffee		
	8.45-9.15	Welcome		
	9.15-10.30	Keynote: Phil McMichael		
	10.30-11	Morning tea		
	11-12.30	Paper A – Contemporary issues in agri-food systems	Paper B - Dairy 1	Paper C - Food Waste
	12.30-1.30	Lunch		
	1.30-3.30 extended	Paper D - Identities	Paper E -Dairy 2	Paper F -Organics
	3.30-4	Afternoon tea		
	4-5	<i>Panel: Whatever happened to subsumption?</i>		
	6.30-late	Trivia night, Wandering Cooks		

Mon 3 rd December: 11.00am – 12.30pm	
A Contemporary issues in agri-food systems Chair, Richard Le Heron (possible)	<ol style="list-style-type: none"> 1. Professor Bruce Curtis - <i>25th/40th: Revisiting Harriet Friedmann's notion of simple commodity production and wage labour (and what does this tell us about family-labour farming and food regimes)</i> 2. Professor Neil Argent - <i>From out of the margins: Understanding the (relative) resilience of staples dependent rural economies and communities in Australia</i> 3. Professor Chul-Kyoo Kim - <i>Twelve years of agri-food studies in South Korea and beyond</i> 4. Dr John Ingram - <i>Enhancing food system resilience</i>
B Dairy (1) Chair: Carolyn Morris	<ol style="list-style-type: none"> 1. Dr Matt Henry - <i>Dairy? The absent presence of the dairy industry in New Zealand social science</i> 2. Professor Bruce Muirhead - <i>An uncertain future? Dairy policy in Australia and New Zealand</i>

	<ol style="list-style-type: none"> 3. Christina Berneheim - <i>Fit for the future? How New Zealand dairy farmers adapt to a changing regulatory climate</i> 4. Ismaël Tall - <i>Producing milk and protecting water: farmers' perspectives on agri-environmental policies in Southland, New Zealand</i> 5. G. Winder and Nick Lewis – <i>Transforming dairy's global value chain – Really?</i>
C Food waste Chair: Carol Richards	<ol style="list-style-type: none"> 1. Natalia Adan - <i>Food waste governance in small restaurants</i> 2. Rudolf Messner - <i>Food system sustainability and the matter of food waste</i> 3. Grace O'Connor - <i>Challenges and opportunities for food waste management in the hospitality industry in Queensland</i> 4. Dr Carol Richards - <i>Reinstating the right to food: Decoupling food waste and food relief</i> 5. Prof. Kim Philip Schumacher - <i>By-Products and waste from food production: The significance of manure in the German meat production network</i>
Mon 3rd December: 1.30-3.30 (extended session of 2 hours)	
D Identities (1) Chair: Hugh Campbell	<ol style="list-style-type: none"> 1. Dr Christopher Rosin, Dr Carolyn Morris - <i>More than a descriptor: Identity as social theoretical device</i> 2. Dikdik Permadi, Dr Angga Dwiartama - <i>Re-embedding meanings on geographical indications: A case from Gayo coffee, Indonesia</i> 3. Samantha Paredes, Dr Sean Pascoe, Associate Professor Louisa Coglean, Dr Carol Richards - <i>The portrayal of local fisheries and seafood in coastal tourism</i> 4. Professor Wenjing Liu-Wuerz - <i>Yamabudo (Japanese mountain wild grapes) as a niche product for the revitalisation of the local rural economy: A case study in the Kuji area in Iwate Prefecture, Japan</i> 5. Dr Tim Roesler - <i>Integrated food and non-food systems in Europe</i> 6. Dr Emma Sharp - <i>Affective food initiatives - learning the practice and ethics of food politics</i> 7. Professor Sarah Ann Wheeler - <i>Turning water into wine: Exploring water security perceptions amongst conventional, organic and biodynamic grape growers</i>
E Dairy (2) Chair: Matt Henry	<ol style="list-style-type: none"> 1. Dr Katharine Legun, Dr James Hale, Professor Hugh Campbell - <i>Accounting for account-abilities: Governing the 'social license to farm' in Canterbury, New Zealand, water networks</i>

	<ol style="list-style-type: none"> 2. Rudi Kresna - <i>Community-based forest management and resilience of the smallholder dairy farming system (Case study of the integrated dairy-agroforestry system in Indonesia)</i> 3. Dee McDonald - <i>Does Mycoplasma Bovis provide an opportunity to review and reframe New Zealand's farming biosecurity cultures?</i> 4. Cassie McTavish - <i>Putting the dairy cow into dairy - a more-than-human approach to productionist dairy networks</i> 5. Professor Richard Le Heron - <i>Situated re-assemblings of contemporary dairying from Aotearoa New Zealand: Some first moves</i> 6. Dr Carolyn Morris - <i>The Egmont dairy factory amalgamation (revisited)</i> 7. Claire McCorkindale - <i>Auditing for good: Dairying, environmental auditing and the 'good farmer' in the Amuri Environmental Collective</i>
<p>F Organics Chair, Kristen Lyons</p>	<ol style="list-style-type: none"> 1. Rebecca L. Paxton - <i>Organic Farmers of Austria and the transformation to healthy agricultural development</i> 2. Dr John Paull - <i>Contamination by genetically modified organisms (GMOs) the West Australian case: Issues and options for compensation</i> 3. Mentari Alwasilah and Dr Angga Dwiartama - <i>A spectrum of organic-ness among vegetable farmers in West Java, Indonesia</i> 4. Dr Sandra Grimes - <i>Why the past still matters: an organic agri-food memo from South Australia</i> 5. Panel: <i>Organics as game changer: Yesterday, today and tomorrow? Panel discussion of future scenarios with audience participation; Dr Sandra Grimes, Mentari Alwasilah and Dr Angga Dwiartama, Dr John Paull, Rebecca L. Paxton</i> 6. Final address: <i>Fifty Years of Organic Knowledge: The Soil Association of South Australia</i> (Archival records, SASA circa1970-2010: State Library of South Australia); Launch, address and celebration with special guest Tim Marshall

Tues 4 th Dec	8.30-9.00	Tea + coffee		
	9-9.15	AFRN in stories and pictures (Roy Rickson)		
	9.15-10.30	Keynote: Shalmali Guttal		
	10.30-11	Morning tea		
	11-12.30	Paper A - Rural livelihoods 1	Paper B - Experimentation 1	Paper C - Finance revisited 1
	12.30-1.30	Lunch + FILM		
	1.30-3.00	Paper D - Rural livelihoods 2	Paper E - Experimentation 2	Paper F - Finance revisited 2
	3.00-3.30	Afternoon tea		
	3.30-5.00	Paper G - Rural livelihoods 3	Paper H - Experimentation 3	Paper I - Agri-food law
	7pm -late	Conference Dinner, Loft West End		

Tues 4th December, 11am- 12.30 pm	
A Rural livelihoods (1) Chair: Mark Vicol	<ol style="list-style-type: none"> 1. Professor Bill Pritchard, Dr Mark Vicol, Professor Anu Rammohan - <i>How is rapid socio-economic change reconfiguring patterns of food security and dietary diversity of households in rural Myanmar?</i> 2. Aye Sandar Phyo, Dr Clemens M. Grunbuhel - <i>Impact of farm mechanization on draught animals in the Central Dry Zone of Myanmar</i> 3. Dr Dominic Smith, Professor Rob Cramb - <i>Taking innovation to scale: Public sector extension approaches and smallholder livelihoods</i> 4. Caroline Hambloch - <i>The importance of contract farming in shaping global commodity chains: Experiences from oil palm production in the Philippines and Papua New Guinea</i> <p>Dr Alec Thornton - <i>White rice and white elephants: Improving smallholder rice farming in post-conflict Sierra Leone</i> [film in the lunch break]</p>
B Experimentation (1) Chair, Mike Carolan	<ol style="list-style-type: none"> 1. Denise G. Nogueira - <i>Sharing economy: Performing alternatives to food security in Australia</i> 2. Dr Hae-Jin Lee and Professor Chul-Kyoo Kim - <i>Back-to-the-farm and back-to-the-rural movement in South Korea</i> 3. Maria del Milagro Nunez-Solis, Dr Christopher Rosin, Dr Nazmun Ratna - <i>Family micro-mills in Tarrazú Region: Rethinking the coffee value chain in Costa Rica</i> 4. Dr Alana Mann - <i>Translocalism: A model for learning in food systems</i> 5. Professor Ruth Beilin, Dr Chris Williams and Associate Professor Adrian Hearn - <i>'Sol, pero sin agua': Re-imagining urban agriculture in Havana</i>

<p>C Finance revisited (1) Chair: Sarah Ruth Sippel</p>	<ol style="list-style-type: none"> 1. Sarah Ruth Sippel - Short introduction 2. Professor Hilde Bjørkhaug and Jostein Brobakk - <i>Morals, ethics and sustainability in financialisation: Examples from public investments</i> 3. Professor Geoffrey Lawrence, Dr Kiah Smith, Zannie Langford - <i>A Quintessential failure? The sandalwood saga in the Ord; Emeritus</i> 4. Zannie Langford - <i>Agricultural land markets in Northern Australia: Aspirations of local market mediators to reflect, create, and control</i> 5. Ms Minqi Chai - <i>The construction of the 'China land grab' narrative</i> 6. Michaela Böhme - <i>Towards greener pastures? The making of Australia's 'clean and green' image and Chinese dairy investments</i>
<p>Tues 4th December, 1.30 - 3 pm</p>	
<p>D Rural livelihoods (2) Chair: Bill Pritchard</p>	<ol style="list-style-type: none"> 1. Dr Mark Vicol - <i>Whither the sustainable livelihoods approach? Towards a political-economy informed livelihoods pathways approach for rural poverty analysis</i> 2. Professor Peter Dannenberg - <i>Agrarian change for whom? Strategies and regional implications of the Southern Agricultural Growth Corridor of Tanzania (SAGCOT)</i> 3. James Boafo - <i>Producing for the global market, ignoring local food needs: The case of emerging cashew production in Ghana's Brong Ahafo Region</i> 4. Cynthia Gharios - <i>Planting the desert: new geographies of agricultural production in Morocco</i>
<p>E Experimentation and digitisation (2) Chair: Mike Carolan</p>	<ol style="list-style-type: none"> 1. Susan Caves - <i>Tinkering with the Australian grains industry</i> 2. Dr Angga Dwiartama - <i>Assembling the agro-digital landscapes in Indonesia: A preliminary study</i> 3. Joseph Macharia - <i>The influence of digital technologies in process virtualisation in farming: Exploring telephone farming in Kenya</i> 4. Dr Simon Fielke, Dr Bruce Taylor, Dr Emma Jakku, Dr Aysha Fleming - <i>Trends in the digitalisation of agriculture: Implications for agricultural advisory services</i>
<p>F Finance revisited (2) Chair: Hilde Bjorkhaug</p>	<ol style="list-style-type: none"> 1. Dr Sarah Ruth Sippel - <i>(Re)Imagining land as a financial asset class</i> 2. Michael Mouat - <i>A nation state does not run like a business: Lessons from how financial operatives assemble money and finance</i>

	<ol style="list-style-type: none"> 3. Dr Pia Piroshka Otte, Associate Professor Natalia Maehle, Assistant Professor Boukje Huijben - <i>The use of co-framing for promoting crowdfunding of climate friendly agri-food production</i> 4. Emeritus Professor David Burch and Dr Sam Burch - <i>Corporate structure, financialisation and investment in agriculture: Current issues</i>
Tues 4th December, 3.30 - 5 pm	
<p>G Livelihoods (3)</p> <p>Chair, Peter Dannenberg</p> <p>These will need to be 10 min presentations</p>	<ol style="list-style-type: none"> 1. Dr Jeff Neilson - <i>Ceremonial consumption of the countryside: Ritual, rural change and livelihoods in the Toraja region of Indonesia</i> 2. Associate Professor John F McCarthy - <i>A sideways scenario: Agriculture, labour and food poverty in the rice lands of outer island Indonesia</i> 3. Dr Chetan Choithani - <i>Migration and changing agrarian relations in the global South</i> 4. Elen Welch - <i>Re-gendering household livelihood activity bundles amidst changing agrarian landscapes in (2) South Asia: Insights from rural Gujarat, India</i> 5. Gianna Bonis-Profumo - <i>Seasonal child and maternal dietary patterns and production diversity among subsistence farming families in rural Timor-Leste</i>
<p>H Experimentation (3)</p> <p>Chair, Chris Rosin</p>	<ol style="list-style-type: none"> 1. Professor Michael Carolan - <i>Reimagining food markets with peer-to-peer lending: The world making (and taking) properties of finance</i> 2. Anisah Madden - <i>Unlikely subjects: Becoming-in-common through agri-food experimentation</i> 3. Jesse Hsu - <i>Street agriculture as food education: Designing for the urban food imaginary</i> 4. Dr Joanna Fountain and Dr Nicholas Cradock-Henry - <i>Transforming food futures in the post-disaster setting of Kaikōura, Aotearoa-New Zealand</i> 5. Nick Lewis, Richard Le Heron, K. Davis, K. Hikoroa and E. Le Heron – <i>Weedy futures: Re-assembling land, sea and people into diverse regional economies</i>
<p>I Agri-food Law</p> <p>Chair: Hope Johnson</p>	<ol style="list-style-type: none"> 1. Honorary Associate Professor Jane Dixon, Professor Caron Beaton-Wells and Jo Paul-Taylor - <i>Regulating the grocery retailer–consumer relationship, with a focus on competition law</i> 2. Adjunct Professor Chris Arup, Honorary Associate Professor Jane Dixon, and Jo Paul-Taylor - <i>Regulating delivery: The competition for the household meal</i> 3. Jo Paul-Taylor, Honorary Associate Professor Jane Dixon - <i>A battle for supremacy: The efficacy of citizen-consumer activism in shaping supermarket behaviour</i> 4. Dr Hope Johnson - <i>The promises and the labelling of lab-grown protein: Ontological, political, and legal issues</i>

Wed 5 th Dec	8.30-9	Tea + coffee		
	9.15 - 10.30	<i>Panel: The future for agri-food research, policy & activism in the Anthropocene</i>		
	10.30-11	Morning tea		
	11-12.30	Paper A - SDGs 1	Paper B - Food sovereignty 1	Paper C - Sociomateriality 1
	12.30-1.45	Lunch + AGM		
	1.45- 3.15	Paper D - SDGs 2	Paper E - Food sovereignty 2	Paper F - Sociomateriality 2
	3.15- 4	Afternoon tea		
	4.00-5.00	Conclusion; David Burch prize, Agri-bagris		
	6.30-8pm	Public lecture: <i>Food, Rights, System Change?</i> Phil McMichael and Shalmali Guttal; Luke Craven; Brisbane Fair Food Alliance, UQ Human Rights Consortium [Griffith U]		

Wed 5th December 11 -12.30pm	
A Agri-food and the SDGs (1) - Localising Chair, Kiah Smith	<ol style="list-style-type: none"> 1. Professor Stewart Lockie - <i>Emerging issues for sustainable development and agriculture in Northern Australia and the Asia-Pacific</i> 2. Dr Luke Craven, Professor David Schlosberg, Dr Alana Mann - <i>Addressing the SDGs in cities through food business incubation: FoodLab Sydney</i> 3. Dr Kiah Smith - <i>What role for civil society in 'localising the SDGs'?</i> 4. Mochammad Fikry Pratama, Dr Angga Dwiartama - <i>Development of community-based local fruit management in West Java: Opportunities and Challenges</i>
B Postcolonial food sovereignty (1) Chair: Christopher Mayes	<ol style="list-style-type: none"> 1. Professor David Barling - <i>Governing fairer trading practices in food supply chains: Policy rationales and interventions in the European Union</i> 2. Dr Kimberley Reis - <i>Local Food Contingency Group</i> 3. Daniel Cruz - <i>Food sovereignty: Exploring pathways that link discourse and action</i> 4. Dr Graeme MacRae, Professor Thomas Reuter - <i>Lumbung State: Metaphors of food security/sovereignty in Indonesia</i>
C Sociomateriality (1) Chair: Hugh Campbell	<ol style="list-style-type: none"> 1. Anom Sigit Suryawan - <i>A conventionalization of halal? Corporate penetration in halal slaughter standards in Indonesia</i> 2. Professor Jörg Gertel - <i>UnSmart cities: Food provisioning between digital possibility, social irresponsibility, and individual profiteering</i>

	<ol style="list-style-type: none"> 3. Emeritus Professor Roy E. Rickson, Dr Peter Hoppe, Emeritus Professor David Burch - <i>Knowledge, power and trust in rural resource development: A focus on mining and agriculture</i> 4. Lisa Arnaud - <i>Mining the rural: a Foucaultian exploration of power, knowledge and identity in a rural district in central Queensland</i>
Wednesday 5th December, 1.45- 3.15 pm	
<p>D Agri-food and the SDGs (2): Addressing intersectionality</p> <p>Chair: Kiah Smith</p>	<ol style="list-style-type: none"> 1. Ms Maria Stephanie, Dr Glen Fox, Professor Michael J Gidley, Dr Purnima Gunness - <i>Rediscovering sorghum - the importance of food research and development of an ancient grain for future food security</i> 2. Dr Jacqueline Williams - <i>Planetary stewardship and sustainable agriculture: Delivering our international obligations from the farm gate</i> 3. Professor A. H. M. Zehadul Karim - <i>Insurmountable population growth and its impact on agro-food resources: An anthropological exploration suggesting future protection</i> 4. Professor Bill Bellotti - <i>Nutrition-sensitive interventions to reduce the prevalence of childhood stunting</i>
<p>E Postcolonial food sovereignty (2)</p> <p>Chair: TBA</p>	<ol style="list-style-type: none"> 1. Sam Burch - <i>Food sovereignty, First Nations sovereignty and decolonization in practice through the Brisbane Aboriginal Sovereign Embassy</i> 2. Puspa Sharma: <i>The 'sovereignty' of food sovereignty: An inquiry with insights from Nepal</i> 3. Chris Mayes: <i>'If you eat, you are involved in settler-colonialism': Expanding the ethics of eating and growing</i> 4. Associate Professor Kristen Lyons, Dr Naomi Smith - <i>Governing with ignorance: Understanding the Australian food regulator's response to nano food</i>
<p>F Sociomateriality (2)</p> <p>Chair: Katharine Legun</p>	<ol style="list-style-type: none"> 1. Professor Hugh Campbell - <i>Understanding farm politics through political ontology</i> 2. Professor Wenjing Liu-Wuerz - <i>Yamabudo (Japanese mountain wild grapes) as a niche product for the revitalisation of the local rural economy: A case study in the Kuji area in Iwate Prefecture, Japan</i> 3. Abbi Virens - <i>Decolonizing the sociomaterial narrative</i> 4. Ms Karly Burch - <i>A method for attending to sociomateriality, power and social justice? The case for vital institutional ethnography</i>
